EDUCATION

Indian Institute of Information Technology, Lucknow
Bachelor of Technology in Information Technology; CGPA: 8.62/10

Lucknow, Uttar Pradesh
July 2020 – Present

Raje Sambhaji Secondary and Higher Secondary School
Higher Secondary Certificate (HSC) and IIT-JEE; Percentage: 76.46

Jafrabad, Maharashtra
July 2019 – March 2020

PROJECTS

IIITL Fees Portal  | *HTML, CSS, Javascript, NodeJS, MongoDB*

Feb 2023 – May 2023

- Created an intuitive fee management platform with features including secure student login, fee payment, and receipt download using clouinary.
- Led the development of an admin dashboard, combining real-time chat, advanced fee tools, and seamless student interaction through Firebase and Clouinary integration, serving over 1000 users.
- Used MongoDB as the database storage solution for its flexibility and efficient data storage capabilities.
- Enabled real-time payment updates and graphical fee analytics for informed decision-making.

IIITL Laundry  | *ReactJS, NodeJS, MongoDB, ExpressJS*

Aug 2022 – Nov 2022

- Created laundry system with real-time tracking, scheduled pickups, and integrated UI technologies.
- Used NodeJS as the backend technology to handle server-side functionalities and ensure smooth communication between the user and the application.
- Enhanced user convenience through emergency services, scheduled pickups, and admin insights, serving over 800 users.
- Online platform, automating tasks with features like automated invoices and laundry management.

Scrabble Game  | *C++, Core concepts of OOPs*

May 2021 – June 2021

- Designed a command-line multiplayer (4-player) game using core concepts of OOPs.
- Used more than 5 classes and used Abstraction, Encapsulation, Inheritance, and Polymorphism to interconnect them.
- Used Class Diagram, Individual Class Analysis and Activity Diagram for this project.

TECHNICAL SKILLS

Languages: C/C++, Java, JavaScript

Frameworks and Libraries: ReactJS, C++ STL, Node JS

Database: MySQL, MongoDB

Developer Tools: Git/GitHub, Bootstrap, VS Code, IntelliJ IDEA

Academic Coursework: Data Structures and Algorithms (DSA), Object-Oriented Programming (OOPS), Database Management System (DBMS), Operating System (OS), Computer Networks (CN)

ACHIEVEMENTS

- Managed Network Expert at Chegg.
- Global Rank of 1151 among 15000+ participants in Feb CodeChef Starters 2021 rated for Div 3
- Solved 600+ problems on Leetcode. Leetcode Handle: **aniket048**  and 1000+ coding problems on various coding platforms
- Completed Web Development Bootcamp 2022 Course on Udemy

POSITION AND RESPONSIBILITIES

Eifer (Sports Society of IIIT Lucknow)
Senior Member and Cricket Lead

Lucknow, Uttar Pradesh
May 2022 – Aug 2023
